

PTAC Expo 2006

The Procurement Technical Assistance Center at Northeastern Pennsylvania Alliance will host [a PTAC EXPO 2006 event](#) on April 26, 2006 at the Woodlands Inn & Resort in Wilkes-Barre, PA.

The purpose of the event is to bring major DOD prime contractors and government agencies together with the small business community in Northeastern Pennsylvania. Our PTAC, which is funded by DLA, works with small businesses, especially women, minority, veteran and service disabled veteran-owned businesses to identify and win government prime and subcontracts.

There is no charge for having a booth at the event. On April 25, 2006, they will have a reception and are working to have a two-part SBLO training course provided by the U.S. Small Business Administration on both April 25th and April 26th.
